UNION FINANCIAL PARTNERSHIP

We offer our clients a unique opportunity to become our financial partner to aid us accomplish our goals as well as help them accomplish their financial objectives.

With this partnership, our partners become an important part of our business process, as they can earn very good returns from the funds they make available to us which we use for our scheduled projects and business activities which largely include multiple investment choices towards accomplishing our primary objectives. Our major categories on offer are highlighted below:

SILENT FORCE: *(2 months waiting time before first payment begins)*

The Silent Force partnership allows our partner make available funds between **₦ 200,000 and ₦ 10,000,000**, the return on this category of financial partnership can range between **2.5% and 5% on a monthly basis**, depending on how much our partner chooses to make available. The tenure for this is **1 year**. With this product, our partners would know exactly how much this would yield them before they decide to partner with us.

INVESTOR: *(2 months waiting time before first payment begins)*

The Investor partnership is for someone who has a larger sum of funds to invest and is interested in earning stable returns from his or her investment. This partnership product allows the partner to earn between **5% and 7% return** depending on the figure made available and the tenure it is in our process. This fund starts from **₦10,200, 000** and can go as high as the partner is willing to make available. The minimum tenure for this product is **3 years**, with a maximum tenure of **7 years**. With this product, our partners would know exactly how much this would yield them before they decide on their partnership.

Other products are currently being developed and/or tested hence more financial partnership options will be introduced as we make progress in our business.

Operating Scenario

SILENT FORCE

This scenario represents a partner providing ₦ 500,000 for a tenure term of 1 year earning a return of 3% paid monthly.

Increased value of 3% monthly (15,000) * 12 months = 180,000

Original value paid = 500,000

New Value = 680,000

Monthly payment to partner = 15,000 / 12 months = 180,000

Original Value returned: 500,000 after 1 year

Month	Payment received (₦)	Accumulated excess (₦)
January	15,000	
February	15,000	
March	15,000	
April	15,000	
May	15,000	
June	15,000	
July	15,000	
August	15,000	
September	15,000	
October	15,000	
November	15,000	
December	15,000	
Total Value Paid (T.V.P)		₦ 180,000

Key Index (Summary)

Original Value: N 500,000

Yield Value: N 180,000

Total new value: N 680,000
